EDITORIAL

We would like to thank you for your trust and your support, which allows us to go through this very special period.

Through our new brand identity, we wanted to highlight the core values which drive us: Innovation, resources and ocean conservation, eco-responsible approaches, research for excellence and beauty.

In this catalogue, you will discover our new range of carbon products created and produced in an artisanal way in France (Staircase, Mooring Whips, Boat Hook, Fenderhook); or even our inflatable platforms and swimming pools covered with teck for a new experience on your yacht.

It is with the greatest pleasure that we share with you our new creations dedicated to your projects during exhibitions or visits; precious moments for us finally found!

We wish you a good 2022 season.

Christophe and Laurence

2022 NEW PRODUCTS

Made from composite resin and carbon fiber

Carbon fiber or gel coat finition

Stainless steel handles

Maximum load weight 300 kg

2 or 3 steps

Non-slip covering

Fabriqué en résine époxy et fibre de carbone

Finition fibre de carbone ou gel coat

Poignées en inox

Charge maximale : 300 kg

2 ou 3 marches

Revêtement antidérapant

Standard dimensions

Step height 33 cm / Lightweight 13 kg

Closed dimensions: 30x54x60 cm / Open dimensions: 77x54x60 cm

Custom sizes upon request

CARBON BOAT HOOK

Lightweight, floatable carbon fiber shaft

Two detachable parts

Stainless steel hook

Dimension : 180 cm or 360 cm

Diameter : 32 mm

Manche en carbone ultra léger et flottant

Deux parties détachables

Crochet en inox

Dimension : 180 cm ou 360 cm

Diamètre : 32 mm

2022 NEW PRODUCTS

CARBON TENDER MOORING WHIPS

Stainless steel Harken® pulley

Two S/S screw-one detachable parts

Lightweight and easy to install

Rope in option

Available length 360 cm and 480 cm

Diameter 28mm

Poulie Harken® en inox

Deux brins démontables par vis

Léger et facile à installer

Cordage en option

Disponible en 360 cm et 480 cm

Diamètre 28 mm

HANDRAIL HOOK

316 S/S plate

Genuine marine leather 3mm

Natural french sheep skin

S/S eyelet

Closing by Velcro®

Plaque interne en inox 316 L

Cuir véritable, épaisseur 3 mm

Peau de mouton français naturelle

Oeillet en inox

Fermeture par Velcro®

TRANSOM FENDER

Offers the most durable protection against impacts caused by tenders and toys.

Made to measure to match your Yacht's specification

Designed and manufactured in our production workshop by our craftsmen

High end quality materials :

- High density closed cell foam
- ORCA® ultra-high-strength hypalon coating
- Non-slip covering

Protège le bateau des impacts des annexes et autres chocs

Fabrication sur mesure

Conçu et fabriqué dans nos ateliers par nos artisans

Finitions haut de gamme :

- Construit en mousse haute densité à cellules fermées
- Revêtement en hypalon très haute résistance ORCA®
- Revêtement antidérapant

NON-SLIP COVERING

ORCA®
hypalon

EASY-TO-HANDLE

PIN FASTENING

CARBON FENDER HOOKS

Carbon composite plate
Natural french sheep skin
High resistance and light weight
Customized chandlery

Plaque carbone et composite
Peau de mouton français naturelle
Haute résistance et ultra léger
Accastillage sur mesure

INFLATABLE FENDERS

Fendress inflatable fenders are designed to protect your boat efficiently when mooring or docking.

When deflated, it allows significant volume and weight reduction.

Light weight and heavy duty

Easy to handle

Strengthened strips for optimal resistance

S/S D-rings, tensile strength up to 3,5 t

Standard size valve, easy to inflate and deflate

5 colours : Navy, black, anthracite, grey and white

More than 20 dimensions available (p. 14, 15)

Custom sizes upon request

Les pare-battages Fendress sont conçus pour protéger votre bateau. Ils sont gonflables, ce qui permet une forte réduction de l'espace de rangement et du poids.

Légers et ultra-résistants

Facilité de manipulation

Bandes renforcées pour une résistance optimale

D-rings en inox - résistance en traction (3,5t)

Disponibles en 5 couleurs : Navy, noir, anthracite, gris et blanc

Plus de 20 tailles disponibles (p. 14, 15)

Autres tailles disponibles sur demande

OUR EMBROIDERY WORKSHOP

Thanks to our in-house embroidery workshop, we offer customisation of a large range of products as fender covers, rope covers, cable wrap, fenboard and so on ...

In a short lead time, we can embroider any text, logo or design with high accuracy for best rendering quality.

Please feel free to contact us for more information.

Notre atelier de broderie permet de personnaliser les housses de pare-battages et de moteurs ainsi que les protections de cordes et de câbles avec le logo, le nom du bateau...

De nombreux chantiers, yachts et sociétés parmi les plus exigeantes nous font déjà confiance pour la confection de leurs housses personnalisées.

Pour plus d'informations, n'hésitez pas à nous contacter.

CREW UNIFORMS

We offer a large range of garment : polos, tee-shirt, softshells, jackets, shorts and so on... thanks to our partnerships with nautical activities specialised brands.

For full customised crew garments, do not hesitate to ask for embroidery option (logo, boat name...)

Nous proposons une large gamme de vêtements : polos, tee-shirts, softshells, vestes, shorts... grâce à nos partenariats avec de nombreuses marques.

Pour une tenue d'équipage entièrement personnalisée, contactez-nous !

CUSHIONS

Our cushions are manufactured in our factory in the South of France.

Whether embroidered or printed, they are made on-demand to match your needs and specificities.

4 available fabrics: Cotton, Skai®, Sunbrella+® (offer perfect water resistance) and genuine leather.

Standard sizes 40 x 40 cm and 50 x 50 cm

Cushion cover removable with Zipper.

Nos coussins sont confectionnés dans notre usine du Sud de la France.

Qu'ils soient brodés ou imprimés, ils sont réalisés à la demande pour respecter au mieux vos besoins.

4 matières disponibles : coton, simili cuir, cuir et Sunbrella+® (idéal pour sa résistance à l'eau).

Tailles standard 40 x 40 cm et 50 x 50 cm.

Housses déhoussables par fermeture éclair.
